DISCOUNTED THREE DAY GUIDED DEER HUNT IN THE TEXAS, GOOD PRICE FOR A GREAT HUNT-HIGH DEER AND OTHER GAME

Take on the Hill Ranch outside of Abilene, Texas, with Whitetail, Hogs, Turkey, Quail, and bobcats plus other varmints. There are almost 1000 acres that are leased to the year round hunters that pay an annual fee. We also offer day hunts so that others can enjoy the treasures in this Texas honey hole. All of the pictures above are a sample of what is taken every year; in fact this was just a few from last year.

The habitat is a deer boiling pot, with many local deer, and more roaming through. There is a large reserve adjacent to the ranch which slowly releases trophy bucks all season because of our doe population. From elevated ground blinds you will be hunting year around feeders, and large food plots of wheat or oats which are another thing they can't get on the preserve along with Food plots are winter wheat and we will be feeding protein in the form of roasted soybeans and also some pellets in feeders along with corn. The main water source is just on the preserve side

of the fence so deer in the preserve have easy access to crossing the fence. Stand hunting only, no stalking is allowed on the ranch.
